How to Login

(For Users registered before 07th Mar'25)

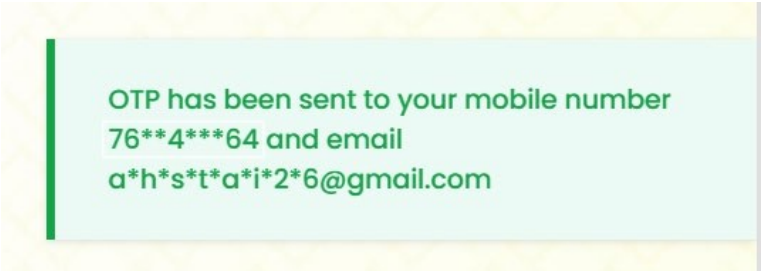

Kindly visit NGO Darpan Portal login page at https://ngodarpan.gov.in/#/login and follow the steps given:

- Switch to the **Login with OTP** option.

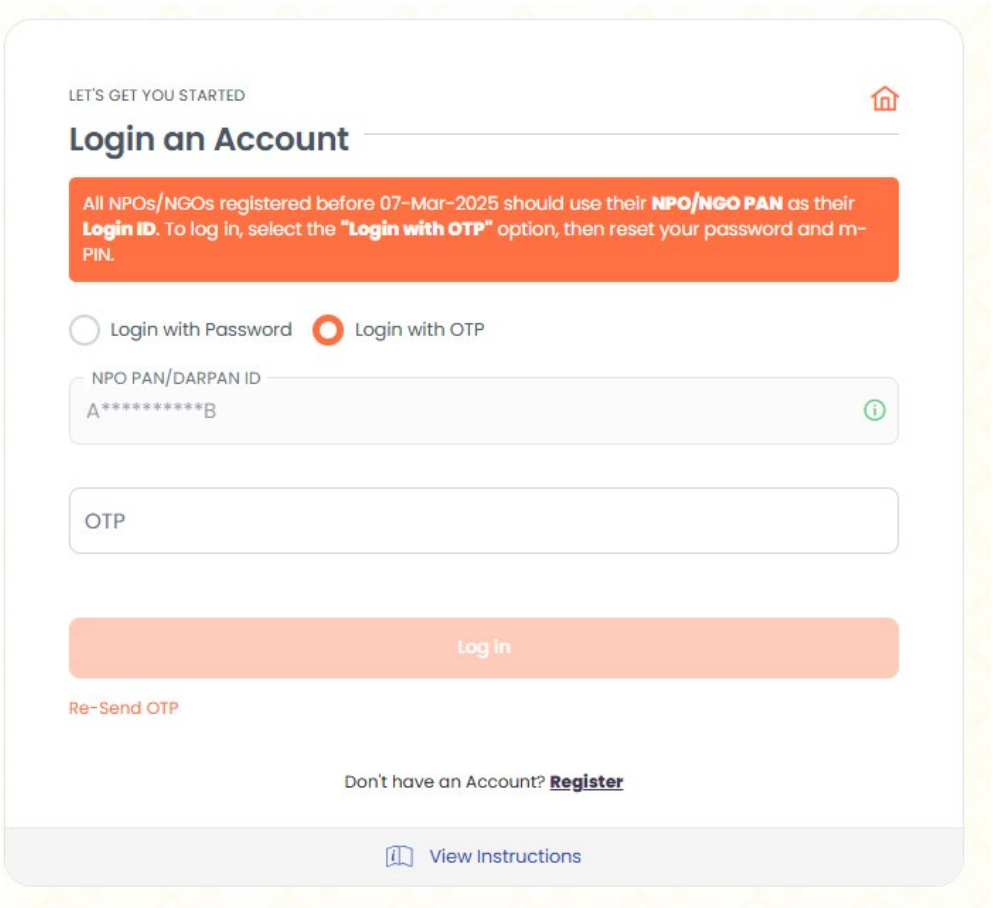

- A form will open, prompting you to enter your **NPO PAN/DARPAN ID** (which should be the NGO/NPO PAN) and complete the Captcha.
- Enter your NPO PAN

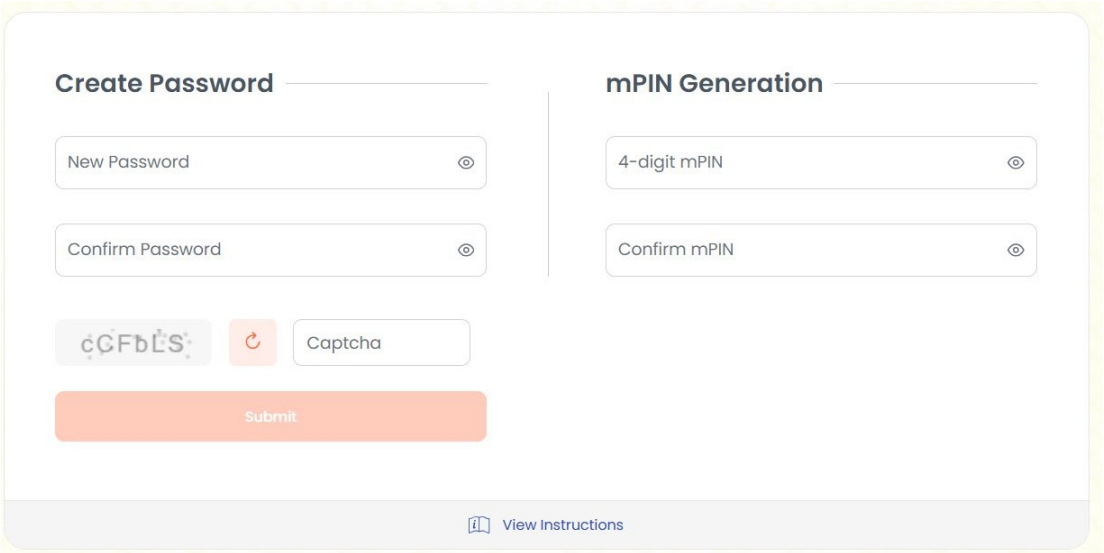

- Upon clicking **Generate OTP**, an OTP will be sent to your registered mobile number and email ID.

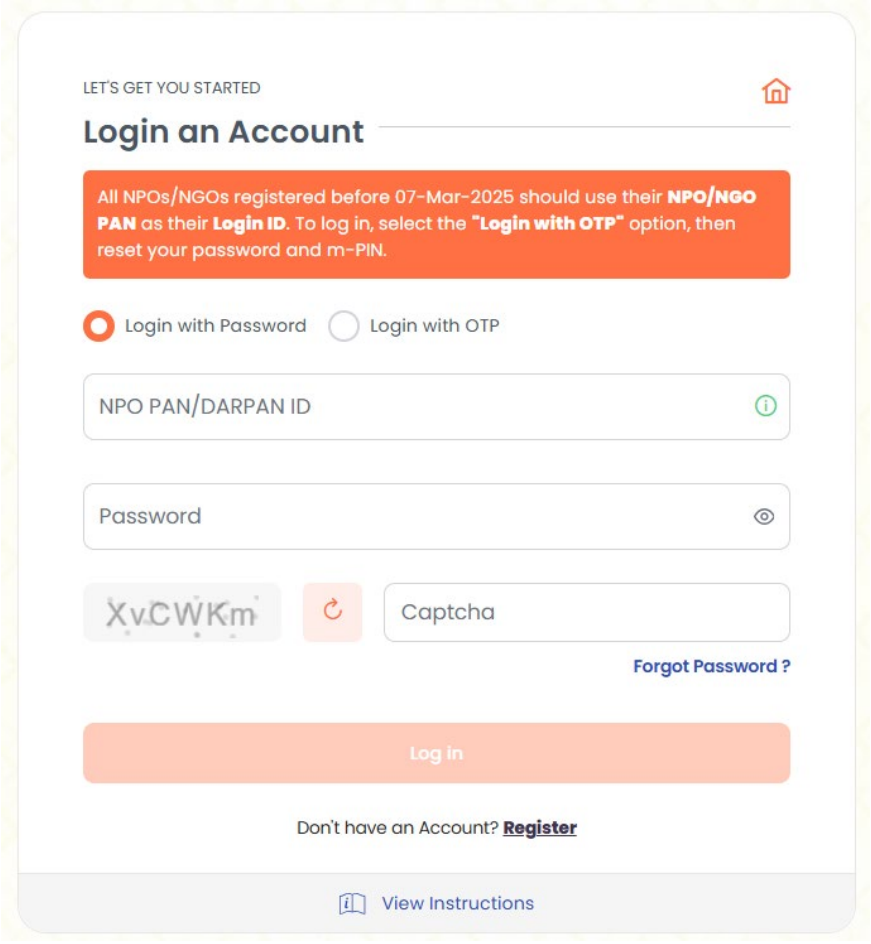

- An OTP box will appear for you to enter the received OTP.
  If you do not receive the OTP, click **Resend OTP** to generate a new one.

- After successfully submitting the OTP, you will be redirected to the **Reset Password** page.

- Set a new password and confirm it, then create a 4-digit mPIN and confirm it as well.
- After successfully resetting your password, you will be automatically logged out and redirected to the login page.

- Use your newly created credentials to log in to the portal.
